STEP 2 - CHOOSE YOUR CUT:

PASGTNo Charge

Tactical Combat - (ACH/MICH - Cut).....No Charge

STEP 3 - CHOOSE YOUR HARNESS:

Comfort System - The AE Comfort System is a basic three pad system , with a rubber chin strap.....No Charge

AE Mesh System - The AE Standard harness system consists of a fully adjustable mesh/webbing liner, with a suede chin strap.....\$15

MCIP (Maximum Comfort Impact Protection).....\$60

The MCIP harness system maximizes comfort and minimizes trauma. Each of this system's seven pads are made from three unique sub-pads which can be adjusted and removed to achieve greater comfort for the individual. When used with the AE MCIP ballistic shell this system meets all ACH MIL-SPEC requirements for shock attenuation.

STEP 4 - CHOOSE YOUR FACESHIELD:

F = Field Mount

H = Hard mount (permanent)

.250 = Offers frag protection

Armor Express is proud to offer Paulson faceshields. The DK5 is available for PASGT cut helmets only. The DK6 is available for PASGT, MICH, and ACH cut helmets. The DK5 attaches to the helmet with a webbing strap and is "field mounted". The DK5 can be "hard mounted" (*permanently mounted*) to the helmet for a slight up charge. The DK6 always attaches using a headband system and is "field mounted" only. The standard faceshield length is 8". Short faceshield length is 5" and will accommodate the use of most gas masks.
